Blood Donation Tips

UNIVERSAL DONORS AND RECIPIENTS The most common blood type is O, followed by type A. Type O individuals are often called "universal donors" since their blood can be transfused into persons with any blood type. Those with type AB blood are called "universal recipients" because they can receive blood of any type.Read more

This is About Us

Mission

Saving lives by providing blood and biomedical services What this means to you: Through effective outreach to donors, continual development of biomedical expertise, and brand-building partnerships with the community, blood drive sponsors, and health care facilities, Nebraska Community Blood Bank connects those who need blood with those generous volunteers who give.

Vision

To be the best blood center in America What this means to you: Dedicated to quality, integrity, service, and excellence in everything we do, Nebraska Community Blood Bank works to ensure reliable and streamlined access to a stable supply of safe blood and related products wherever they are needed. We aim to become the industry's standard-bearer in providing the highest level of service to all the various stakeholders we serve—from financial contributors, blood donors, and blood drive sponsors to hospital partners, and biotechnology companies.

What we do

Core operating values : We value each other. We keep our commitments. We pursue open communication and practice teamwork to achieve our goals. We pursue superior performance because someone's life depends on it. We partner with our customers in pursuit of our life-saving mission.

                                BLOOD DONATION SLOGAN
Donate blood, give a smile to someone.

Donate blood and gift someone a precious life.

Your blood can give a life to someone.

A drop of blood can save a life! Don’t waste it and donate blood.

Your blood donation can give a precious smile to someone’s face.

Your blood is very precious to someone’s life.

Donate blood and get real blessings.
Blood donation is the real act of humanity.

We cannot give God in return of this precious life, but we can Thank Him by he
lping others through blood donation.

                            </p>
                        </li>
                    </ul>
